Grant Awards Celebration

We gathered at the Hollywood Theater for our annual Grant event on December 11. It's always festive at the holiday season so Foundation members and guests alike enjoyed the food, drink and atmosphere. This event is the highlight of our year as we give back to the community from our expanding Endowment Fund. Thanks to everyone who has donated through the years! Special appreciation goes to event sponsors: Co-op Credit Union and Stermer & Sellner, Chtd with assistance from Montevideo Area Chamber of Commerce.
